April 2010
“Learning today the skills for a lifetime.”

Leadership Opportunities

It is never too early to plan for the future. As our pack continues to grow and we continue to do the many great things we do, we always need to anticipate leadership turnover and future opportunities. There are many ways to serve Pack 197. If you are curious as to the opportunities, please join us for our May 10th leadership meeting, 7PM at Heritage Christian Church. You can see first hand the different roles and inquire more information with the committee. One thing great about the Boy Scouts of America is that the training offered is very thorough and not very time consuming. In addition, we have some seasoned leaders in our Pack and at the Council level that are always willing to share the “tricks of the trade.”

Parental involvement is critical to sustain Pack 197’s momentum and continue the success we have enjoyed over the past few years. We hope to see you there...
